“ We treasure our memories with you and Walt. Playing tennis on Sunday mornings, running the Tufts 10K, going to concerts and many fun get togethers. We will miss you, Bev, but will always remember your smile and wonderful sense of humor.

“ The first thing I noticed about Bev, when I met her many years ago was her beautiful smile and spirit that shone through her eyes. I knew instantly that she and her husband Walt were not only husband and wife, but best friends forever.

To hear them talk together and laugh together, walk on the beach or ride their bikes will always stay in my memory of Bev.

She was so proud of their family and loved to tell you about each one's interests.

Bev leaves many positive memories in her family's and friends' lives.
