December 9, 1954 - May 27, 2019

Connie Lee Hyman was called into the loving arms of our heavenly father on May 28th, 2019.

Connie Lee Hyman was born on December 9th, 1954 in Conway, South Carolina. She was the daughter of Laura Mae Ludlam Hyman and Elic Hyman. She was a graduate of Conway High School and went on to earn her degree in nursing from Coastal Carolina University. Subsequently, her ambition and need to improve upon herself for the benefit of helping others pushed her to earn her master's in nursing from the University of South Carolina. She began her nursing career at Grand Strand Hospital as a Critical Care Registered Nurse. After which, she became a nurse at Baptist Medical Center, The American Red Cross and Upjohn Home Health Agency. Providing comfort and care to all who encountered her. Connie married Greg Terrill after moving from Conway to Columbia and together they welcomed her three greatest blessings into the world, Laura, Alan and Christine. She was a devoted and loving mother, who was actively involved in all her children's activities during their youth. As a mother, she made it her priority to teach her children through faith and instill in them the power of prayer. Connie loved the lord with all her heart, soul and mind. She had a passion for her church, through which she was able to volunteer her time and expertise in a variety of ways including many mission trips. Connie truly lived life to the fullest, she was forevermore up for an adventure, had the patience of a saint when it came to her love of sewing, habitually made the best cheesecake of all time and always, unfailingly, found a way to make you smile. Her laughter was healing to all around her. Her legacy will live on through all who knew and loved her.

She is survived by her three children, Laura Wates (Don) of Columbia, SC Alan Terrill (Lantye) of Columbia, SC and Christine Schoem (Brett) of Mount Pleasant, SC. “ Connie was the best mother I had the pleasure to work with as a teacher. She would do anything to help her children to succeed. I enjoyed Connie's contagious laughter. She had a can do attitude about life. She loved her children to a fault. I appreciate her friendship and the kindness she showed me as a teacher and friend. I will miss her. She is no longer seeking release from her pain and for that I am grateful. I pray her family will be blessed with joyful memories of times past.
Much love,
Sandy Reese Bartley

“ Connie was indeed a kind and loving person. She made all who visited her home feel comfortable and relaxed. My son and I often went over to see her and have nice chats. The one special morning, she offered us grits casserole for breakfast which I have since made many times.

Many times we would spend time at the pool doing water exercises or simply sitting down and enjoying each other's company.

She LOVES the Lord indeed and so many love her! She is the most giving person I have known since moving to the USA. Her friendship and love is unconditional. We are so blessed to have had her in our lives.

She will be greatly missed!
