

Gail Marie Pope

August 14, 1944 - September 20, 2016

Gail Pope passed on 20 September, 2016. She leaves behind a daughter and son along with grandchildren and even 4 great grandchildren.

She will be remembered as a dedicated nurse whose patients always came first. Her Patients would receive great medical care but would also meet a friend. Great conversation and even some home cooked food often became part of the treatment. After a long and distinguished career in nursing, Gail dedicated herself to a new love; dance. Hours and days of practice and dedication lead to regional and national awards but it was the friends she made at the studio that brought her great happiness. This happiness endured to the end.

She had a great love of family and friends and a true thirst for life. Sadly, as it often does, it ended too soon. She will be missed by all.

A "Celebration of Life" will be held on Monday, October 3, 2016 at 6:00 pm at the International Ballroom Dance Studio located at 1938 Ashley River Road, Charleston, South Carolina.

Arrangements in care of Charleston Cremation Center & Funeral Home.

“ One year ago today was the last time I had a conversation with you. I can't put into words how much I miss you. It's a physical pain that I feel. I'm still filled with regret, guilt, and saddened by so many missed opportunities I had to show you how much I loved you. I hope you know how proud I was of you and all you accomplished even though you had so many obstacles. I listen to your voicemails in my car and it's as if you're right beside me. I wonder every day if you hear me apologizing for not being the best daughter possible. There were so many things that I had the ability to improve upon and didn't. Forgive me for not being the daughter you deserved. I'm so sorry the last year and a half was so sad for you. I know dancing was what made you happy and fulfilled you. I love you mom

“ Will always remember the graceful way you danced, your encouraging words about my dancing, your hugs and laughter, and your words, "FADS is your family and dancing is your passion." Miss you dearly; forever in my heart.

“ Will miss texting & calling during DWTS. We critiqued every dance, couple, costume & score, over many seasons. Hope, you are dancing!

“ I traveled from Florida to dance and met Gail at the studio. She was immediately my friend. On all my visits to Charleston, she would take me to all the great restaurants and dances at the beach. We had very lengthy phone conversations through the years. I'll miss hearing from her. It was an honor having her in my life. She was full of love and laughter.
