“ God speed Jon. My sincere condolences to Jan and Walt and family. We are all stunned by this tragic loss.

My favorite memory is a visit to the Hughes household when Jon was 2. I recall a high speed ball of energy bursting into the room to ask Sue and I if he was wearing a diaper. I knew from that point onward he would focus on what was important in life. 10 seconds later he burst in again to ask if we had cigarettes at our house.

At Muriel's memorial service Jon showed a keen interest in the stories (mostly distorted exaggerations) we share from our youth and how great it would be to record those for posterity. Wisdom prevailed and we sadly explained to Jon that the request could not be honored.

Our prayers and love for all who mean so much to us. Remember Jon!
