

Michael Patrick Kinslow

January 13, 1955 - June 13, 2021

Michael “Doc” Patrick Kinslow, 66 of Summerville, South Carolina, formerly of Middletown, New Jersey passed away on Sunday, June 13, 2021. He was born in Camden, New Jersey and spent the last 30 years living in Charleston and Summerville, South Carolina after enduring Northeast winters for far too long. Mike was the second youngest of five brothers and though he was quietest of the bunch, there wasn’t a childhood story or anecdote where he wasn’t mentioned as an accomplice. Seeing Uncle Mike at a family function was like seeing a celebrity, except he was wearing light-wash denim Levi’s, a t-shirt and carrying a Budweiser. A star to the Kinslow clan. You could find him helping set the table or playing with the nearest dog. Ever the individual, Mike lived his life exactly how he wanted to live it: far away from his crazy family in the beautiful state of South Carolina. He worked for General Engineering Laboratories (GEL) as an Environmental Technician the last 20 years. His colleagues knew Mike to be unfailingly hardworking and reliable, a trait many of the Kinslow's will remember as well. Mike, your name will continue to be told and retold at every family function as the kind and dear brother and uncle you were.

Mike was predeceased by his mother, Julia Kinslow in 2012, and father, Leo Kinslow in 1987. He is survived by four brothers; Edward and wife Nancy of Maine, Leo and wife Susan of Red Bank, Richard and wife Marie of Rhode Island, and Chris and wife Mary of West Long Branch, and ten nieces and nephews; Edward, Jeffrey, Patrick, Matthew, Andrew, Jill, Sara, Emily, Nora and Colleen.
