

Todd Richard Morrissette

February 20, 1966 - November 6, 2021

Todd Morrissette was born on February 20th, 1966 in Waterville ME and died on November 6th, 2021 in Charleston, SC. Todd was a larger than life man whose charisma and fun-loving spirit instantly brought life to any room he entered. He entered the military out of High School, serving 6 years in the U.S. Coast Guard. Todd spent his early adulthood as a Chef and later began his Web Design business, AfterFive By Design. He took great pride and care in his business, especially when it came to understanding his client's needs and interests. Long after his career move from Chef to Web Developer, he continued to love the restaurant world and became well known and loved by local restaurants in the Charleston area.

Todd lived every day to it's fullest. He loved to meet new people and would talk to anyone. He could sit down next to a stranger and instantly become their friend, which he often did. He had a generous heart and loved to help people, whether they were his loved ones or simply someone in need. As a life partner to Lindsay, he was happily devoted, spontaneous, and full of love and kindness. He treasured opportunities to travel and try new things, and was happiest with Lindsay by his side on his adventures.

He was a loving father, partner, son, brother, uncle and friend. His beloved father, Harold Morrissette, predeceased him on December 23rd, 2008. He is survived by his mother, Anita Morrissette; his three children; Kayle Corey, Ryan Morrissette, and Nicholas Weld; his fiance Lindsay Taylor and her children Hannah Taylor and Madison Shimeld; his brothers Harold Morrissette Jr., Troy Morrissette, and Robbie Morrissette; and his sister Jill Robinson. He is also survived by his two cherished grandchildren, Conor Day and Elliot Morrissette. He adored being a grandfather and found every opportunity to visit with them and spoil them.

A Celebration of his life will be held in Old Orchard Beach, Maine at the VFW on November 21st from 12 to 4pm. In lieu of flowers, please send donations to Pay it Forward Charleston.

“ While living in Maine, Todd was able to visit our small company and set-up a website that would heavily impact the direction of our company & the enthusiasm of our customers. From owning MGB's to his history in the coast guard there is very little that we didn't touch upon over the years... the news of his leaving us has stunned us.... there is, and will always be a gaping hole in our lives without his input and incite.

“ I've worked with Todd on our company website for the past 9 years. He's always been a breath of fresh air to any situation I believed to be a big issue. He was a great trainer, full of energy and can-do attitude. I'm certainly going to miss him. My sincere condolences to his entire family. He will be missed. Sending thoughts and prayers your way. “ I only had the pleasure of working with Todd in the past two years and enjoyed each interaction we had. He tolerated my incompetence with a kind heart and encouragement.

“ Todd: I met you years ago when the Chamber I lead was looking to update their website and I reached out to you and asked you to place a bid. You were successful and our working relationship began. Working with you was easy and the outcome was great. You were always there to answer a phone call or an email and you made my job so much easier when it came to tech issues. You had the answers and I listened. You will be missed. May God hold you in the palm of His hand.

“ Meeting Todd 20 years ago was the greatest gift I could ask for. His twinkle in his eye, his goofy laughter, his love for fun was intoxicating. But most importantly his trust in our friendship. He was my confidant and my pillar. I will miss Todd as he was like a brother of mine. Rest my friend, until we meet up again.

“ I'm glad to have been a part of your life since we were four.
I was planning for many more years.
I will miss you more than you know.
Just too early for you to leave us.
I love you brother
